Zip On, Flip Up

Prototype
Hinge Shown
Patents Pending

The **Zip Hinge** is a tough, reliable gutter downspout hinge made of durable aluminum.

THE ZIP HINGE SERVES TWO MAIN PURPOSES:

one

Ensures that the downspout extension remains firmly attached to the gutter system to protect your home's foundation

two

Provides convenience for moving and working around the downspout (mowing, landscaping, etc)

Fits any size gutter,
residential or commercial

Installs in 1 minute

Proudly manufactured
in the USA, using 99%
recycled aluminum

Factory white standard,
hand or spray paint to
match any downspout color
